**Re: Subscriber Acknowledgement Report (September 22, 2005)
Constant Touch Communications, LLC; WC Docket No. 05-196**

Dear Ms. Dortch:

Constant Touch Communications, LLC ("Constant Touch"), through its undersigned counsel and in response to the Public Notice issued by the Enforcement Bureau ("Bureau") on August 26, 2005 ("Public Notice"), submits this Subscriber Acknowledgement Report ("Report") to advise the Commission of the status of Constant Touch's efforts to comply with Commission Rule 9.5(e). Constant Touch previously filed Subscriber Acknowledgement Reports on August 10, 2005 in response to the Bureau's July 26, 2005 Public Notice ("August 10 Report") and on September 1, 2005 in response to the August 26, 2005 Public Notice ("September 1 Report").

As requested in the Public Notice, Constant Touch responds to the following questions set out in the Public Notice:

- 1) A detailed explanation regarding current compliance with the notice and warning sticker requirements *if* the provider did not notify and issue warning stickers or labels to 100% of its subscribers by the July 29, 2005 deadline. Providers expected to update this information include those that were in the process of providing notice and/or stickers to their subscribers, but had not completed the process by July 29, 2005.**

As previously described in response to Question 4 of Constant Touch's August 10 Report and in response to Question 1 of Constant Touch's September 1 Report, Constant Touch sent advisories and warning labels to all of its subscribers.

- 2) **A quantification of the percentage of the provider's subscribers that have submitted affirmative acknowledgements as of the date of the September 1 and September 22 reports, and an estimation of the percentage of subscribers from whom the provider does not expect to receive an acknowledgement by September 28, 2005.**

As of September 20, 2005, Constant Touch has obtained affirmative acknowledgement from 100% of its U.S. subscriber base.

- 3) **A detailed description of any and all actions the provider plans to take towards any of its subscribers that do not affirmatively acknowledge having received and understood the advisory.**

As explained in response to Question 2 above, Constant Touch has obtained affirmative acknowledgement from 100% of its U.S. subscriber base. Constant Touch will continue to obtain affirmative acknowledgement from all new subscribers.

- 4) **A detailed description of any and all plans to use a "soft" or "warm" disconnect (or similar) procedure for subscribers that fail to provide an affirmative acknowledgement by September 28, 2005.**

As explained in response to Question 2 above, Constant Touch has obtained affirmative acknowledgement from 100% of its U.S. subscriber base, and therefore, does not plan to implement disconnect procedures.

Respectfully submitted,

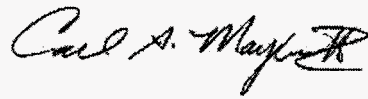

Russell M. Blau
